RETROSPECT

About Ourselves

by EVELYN PIETRULEWICZ

We saw the stately portals of East Side High open wide to welcome us, the incoming class, on September 12, 1949. We had eagerly awaited this day, and with great expectations we looked forward to our stay here. We were assigned to home rooms, and within a short time, had become acquainted with the faculty and the other students, and had overcome the complexities of the school building. Our first term ended, leaving behind unforgettable memories of the first episode in the beginning phase of our school life.

Then in February, our class elections were held. An able and admirable foursome was selected to head our class during the oncoming term. We held our first dance during this term, and although it was an afternoon affair, it was moderately successful.

By the time we had become Sophomores we had formed lasting friendships with our classmates. We learned to work together and to play together. We elected new leaders, they being:

George Stankan.....President
Carmen Giordano.....Vice-President
Ann Lysiak.....Secretary
John Morello.....Treasurer

As we began our 11B term, our school was repainted and we obtained new drapes for our auditorium. We saw the birth of the Business Club in this term, and the Student Council was re-organized. We welcomed new members of the faculty and during the course of our stay, said farewell to others. Mr. Adickman, Miss Kartluke, Miss Ferguson, Mr. Main, Mr. Connolly, Mr. Barnes and Miss Raleigh left us. We purchased our rings during this term, and the pride with which we wear them will always be present in our hearts and minds. Our 11B dance, the "Starlight Social" was a successful affair, as was our "Leap Year Frolic" of our Junior A term. The enjoyment we experienced was typical of all the high school experiences we had together.

On October 17, 1952, we were officially recognized as Seniors. Everyone was dressed in regal finery. Pink roses adorned each girl, while the boys looked distinguished with their red carnation boutonnieres. Literally millions of camera shutters clicked to

take down on film for later years the gala festivities of that day. We danced on clouds to the music of our school dance band in the gym that afternoon, and then proceeded to trip the light fantastic at various nightspots around the town. Later during the term we held our "Hay Hop," which turned out to be a great success. During this time, plans for an additional building for East Side were made known to us. The city had purchased Ruppert Stadium for us, and we anxiously awaited the spring, and the baseball season, even though we knew it would be our last one at East Side.

We settled down to serious business, however, and after the class elections we began to plan our prom. Committees were drawn up and after many discussions we decided our plan of work. On December 5, 1952 we witnessed the exquisite results of our labors. The soft music and dim lights created an atmosphere of romance that still lingers in the minds and hearts of us all. Then we began work on our year book, and before we knew it, our biggest term had come upon us. As Senior A's we relaxed and played host to the Senior B's on Rec Day, which was May 1. We then relaxed a little from our attempts at getting money to finance our beautiful Torch, and set to work directing and producing the Senior Rec Show, which was the best ever. Then again we set out to enjoy ourselves, only now it was with the thought that soon, we will all part.

Early in the term we held our elections. These were the results:

George Stankan	President
Henry Ragiel	Vice-President
Ann Lysiak	Secretary
Hugo Thomas	Treasurer

As June drew nearer, we began to feel the tense, expectant joy of our coming graduation. With great solemnity we walked down the aisle to receive our diplomas on June 17, 1953. As we accepted our key to life, we recognized the hitherto undescribable emotions which gripped our hearts. It was fear, and a loneliness, a feeling of maturity. Through the words of our valedictorian, we expressed our sincere gratitude to all who were responsible for that momentous day. We wept as we said farewell to all that we had met and known during our high school days.

The door closed, but the four-year path led us to the door of adulthood, with a wiser and fuller knowledge and appreciation of life. We will treasure always the memory of our dear school and all that it stands for. The memories of happy times will linger always in our hearts; the friendships that were cultivated will forever endure. Our hearts will long sing the praises expressed in the "Alma Mater" even after our minds have forgotten the words.

Last Will and Testament

We, the members of the Class of June 1953, being of sound mind, memory and understanding, do hereby make, publish and declare this to be our Last Will and Testament.

To Mr. McCracken, our principal, we leave the privilege of employing the Freshmen for the purpose of building the new addition to the school.

To Miss Erbacher we leave a "fool-proof" schedule system.

To Mr. Scott we leave the pleasant visits with the parents of our successors.

To Mr. Kessler, our adviser, we extend our deepest appreciation for the excellent work he has done to make our class affairs a success, by leaving him a free first period to count class funds.

To Miss Bloomfield, our counselor, we leave a new and complete set of college directories.

To Mr. Fast we leave a box of embossed invitations.

To Dr. Cavicchia we leave our gratitude, and extended Easter vacations in order that he may recuperate from the previous week spent at our printer's.

To Mr. Jannone we leave the promise that he will have an all-girl home room until the Senior Year.

To Mrs. Weinstein we leave a new and vigorous Dramatic Club.

To Miss Wagoner we leave a volume of poetry and a cast of excellent Shakespearean Actors.

To Miss Nelligan we leave the promise that she will always get a quiet home room.

To Mr. Bernstein we leave a "cool" dictionary explaining the modern teen-age tongue.

To Mr. Grubel we leave a ventilating system for the pungent odors escaping the lab.

To Mr. Young we leave a new set of drafting tools.

To Dr. Weingast we leave a full-time secretary.

To Mr. Kahn we leave a television contract for him and his new Stenograph Class.

To the remaining faculty we entrust the important task of instilling knowledge into those who despise the thought of school.

To the Custodians we leave our appreciation for the services rendered at our social affairs.

To the Freshmen we leave free cut-slips as a reward for being A.W.O.L. from certain classes.

To the Sophomores, who are now fearless and independent, we leave a short-cut to Room 121.

To the Juniors we leave the thrill in getting class rings.

To the Senior B's we leave the Torch hoping that it will continue to burn as brightly as it has in the past.

To the student body we leave reflections of happy faces for the future of East Side.

In witness whereof we have hereunto set our hands and seals this 17th day of June, in the year of Our Lord One Thousand Nine Hundred Fifty-Three.

THE TORCH

by JAMES H. TUCKLEY

This is THE TORCH, a gleaming part
Of Space and Time, of Brain and Heart.
Its golden glow contains the lights
Of lands and races, wrongs and rights:
Italy's brilliant tangerine,
By Africa's deep purple seen;
Ireland's enduring emerald, done
From blue and yellow, sky and sun;
Mellow-toned rays from patterned dreams
Of patient China; vivid beams
From orient realms whose sun is set
And broken empires shining yet;
Dark Poland's dim nocturnal ray
That turns to violet by day;
America's composite light,
The sum of all the colors—white.
Such is THE TORCH, not just a glint
Of facts and faces, lines and print,
But rays derived from everywhere
Unite to form THE TORCH'S flare.

ATHLETICS

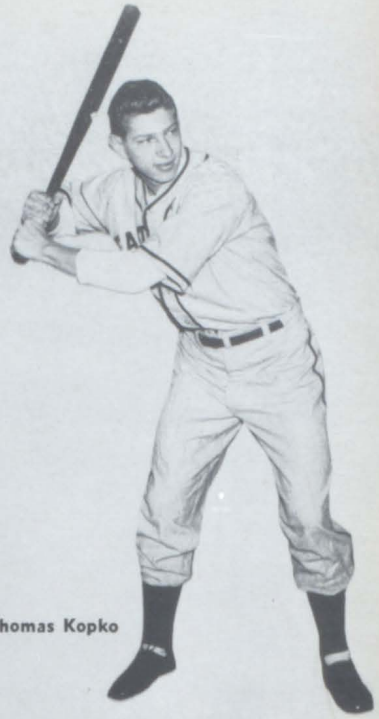

SPORTS

Hugo Thomas

Carmen Giordano

Thomas Kopko

DANIEL CATENA

One of East Side's more modest athletes is Danny Catena, who began playing with the Junior Varsity in the Spring of 1950. He displayed outstanding skill in the outfield while playing with the JV, and is now playing just as well on the Varsity. Danny is known for being a good sport.

DOUGLAS CISCO

For one year Doug played on the East Side diamond, and although he played outstandingly well, he preferred basketball. As a Sophomore he was captain of the J.V. basketball team, and he showed outstanding skill later on the Varsity. His coach will probably tell you that if East Side had a basketball team this season, Doug would have been All-City material. He is looking forward to continuing his basketball career in college.

ROBERT FRANK

One of East Side's greatest mermen is our own Bob Frank. Bob began swimming for our team in 1951, and he has competed in some outstanding swimming meets. Because of Bob's outstanding ability and sense of humor, he is liked by all of us.

CARMEN GIORDANO

Red, as he is known to us, is the type of fellow who always did his best at all times, and came through when the chips were down. On the gridiron, Red's versatility has made him a valuable asset to the football team, and no matter what position he played, he played it well.

IRA GREENSTEIN

Ira is a conscientious football player. He enjoys playing the game, and feels that it is a good pastime for any schoolboy. He says that his happiest time was spent practicing and training in preparation for the football games.

DONALD KLEIN

Ever see a guy make Varsity the first time he tries out for football? That's what Donald Klein did in his Senior year. Donald has played guard and tackle, showing his talents in both. He certinly is one of the fellows who played a part in the success of the 1952 football team.

Joseph Serratelli

Philip Richards

Henry Ragiel

Daniel Catena

Douglas Cisco

THOMAS KOPKO

Tom probably has reached greater heights on the diamond than on the court. For three solid years, Tom has played outstandingly well on the Varsity baseball team. Sportswriters have honored Tom, because of his remarkable ability in baseball. Tom's wish is to play pro baseball with the Chicago Cubs. Here's hoping he'll succeed.

DANIEL LESSACK

"Lou Daniels", as he is known to the sportswriters, is one of East Side's most valuable quarter backs. Danny is an individual whose talent increases with experience. He played for our football squad for two seasons. Danny is a regular fellow who will be missed by all.

WILLIAM MAGERKURTH

Bill is one of the fellows who best fits the slogan, "End, tackle, center, guard, hit your man and hit him hard." Bill has been on the football team for two years, and has played exceedingly well. He has proved himself to be not only a very personable fellow, but a hardworking one as well.

WALTER MASSEFSKI

"Beno" has great ability in both football and baseball. He won the hearts of all East Siders when he won the co-title of "Mr. Football." He won All-City and County titles for both sports, and is highly honored by sportswriters. In his Senior year, he served as one of East Side's most outstanding co-captains of the football team. It is our hope that he will climb the ladder of success in his sports career.

JOHN MORELLO

Johnny is our only great bowler. He averaged 150 with the bowling team. Johnny's sports career does not end here. He began his baseball career on the varsity in 1952. One incident which is outstanding in our memory, occurred during the Barringer game, in 1952, when he hit a double which drove in two runs to win the game. That's our boy!

George Van Deventer

Edward Wolenski

Daniel Lessack

LATHAN PRIDGEN

There is not a student who has not seen or heard of Lathan. He is a likeable fellow who has played football for East Side for the past three years. Lathan is a conscientious and outstanding player. East Side's football and baseball teams will be losing one of their most valuable assets when he graduates. Good luck to you Mr. Pridgen!

HENRY RAGIEL

Hank is the unsung hero of the glorified line. As a Freshman he joined the JV team. For three years he played remarkably well on the varsity, and was elected co-captain in his senior year. Hank is one of East Side's greatest guards, and because of his outstanding ability he has received three major letters and also placed on the All-City Team. For four seasons, Hank was a member of the Track Team, and co-captain of the team. In 1951 he was the City Champion shot-putter. East Side will long remember him.

PHILLIP RICHARDS

Phil is another outstanding merman. He has been swimming on the team since his Freshman year and splashed his way into city and dual meets. Phil was awarded an eight-inch letter for his swimming with the varsity team for the past three years. Outside work prevents Phil from participating with the team this year.

JOSEPH SERRATELLI

"Diamond Joe" played second-base on the JV baseball team for two years. Joe is a conscientious fellow who slugged his way into the varsity team in his Senior year, playing in the keystone position. Joe's talents are not limited to sports, you should hear his music! Good Luck Joe!

JOSEPH TEJA

Ask Joe his favorite sport and he'll answer you with one word, "football," even though he has been a member of the track team for two years. His football career began in 1949. Because of his great work on the JV, he was made captain in 1950. On the varsity team he played tackle, guard, and center with outstanding ability. With Joe's ability and cheerful disposition, we are sure that he will succeed in whatever he undertakes.

HUGO THOMAS

Hugo has played outstandingly well in both indoor and outdoor Track. He has been on the track team for two years, and has received a 6" letter for his achievements. He ran the half-mile and mile, and placed third in a few of these races. Hugo is not only a good collector of money, as any Senior will tell you, but also a good collector of friends. East Side will certainly miss him!

GEORGE VAN DEVENTER

Van is one of the best quarter-milers East Side has had in some time. He has been an exceptional member of the track team for two years. Through the years he has played, he has built up endurance with the cross country team. Becauuse of his outstanding ability, we are certain that he will run his way to success.

EDWARD WOLENSKI

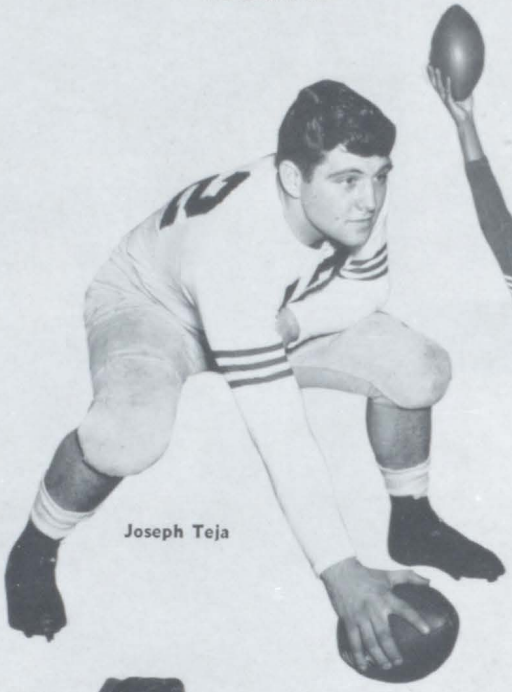

Ed is a mighty basketball player, who played center with the East Side team in his junior year. He enjoys playing both inside and outside of school. Ed, along with the rest of us, was very disappointed when East Side dropped basketball. A tall, personable fellow, he is very likely to succeed in whatever he undertakes.

ALMA MATER

James H. Tuckley

In the bustling city's bosom,
Like a gem most rare,
Shines the noblest of our treasures,
Shines our High School fair.

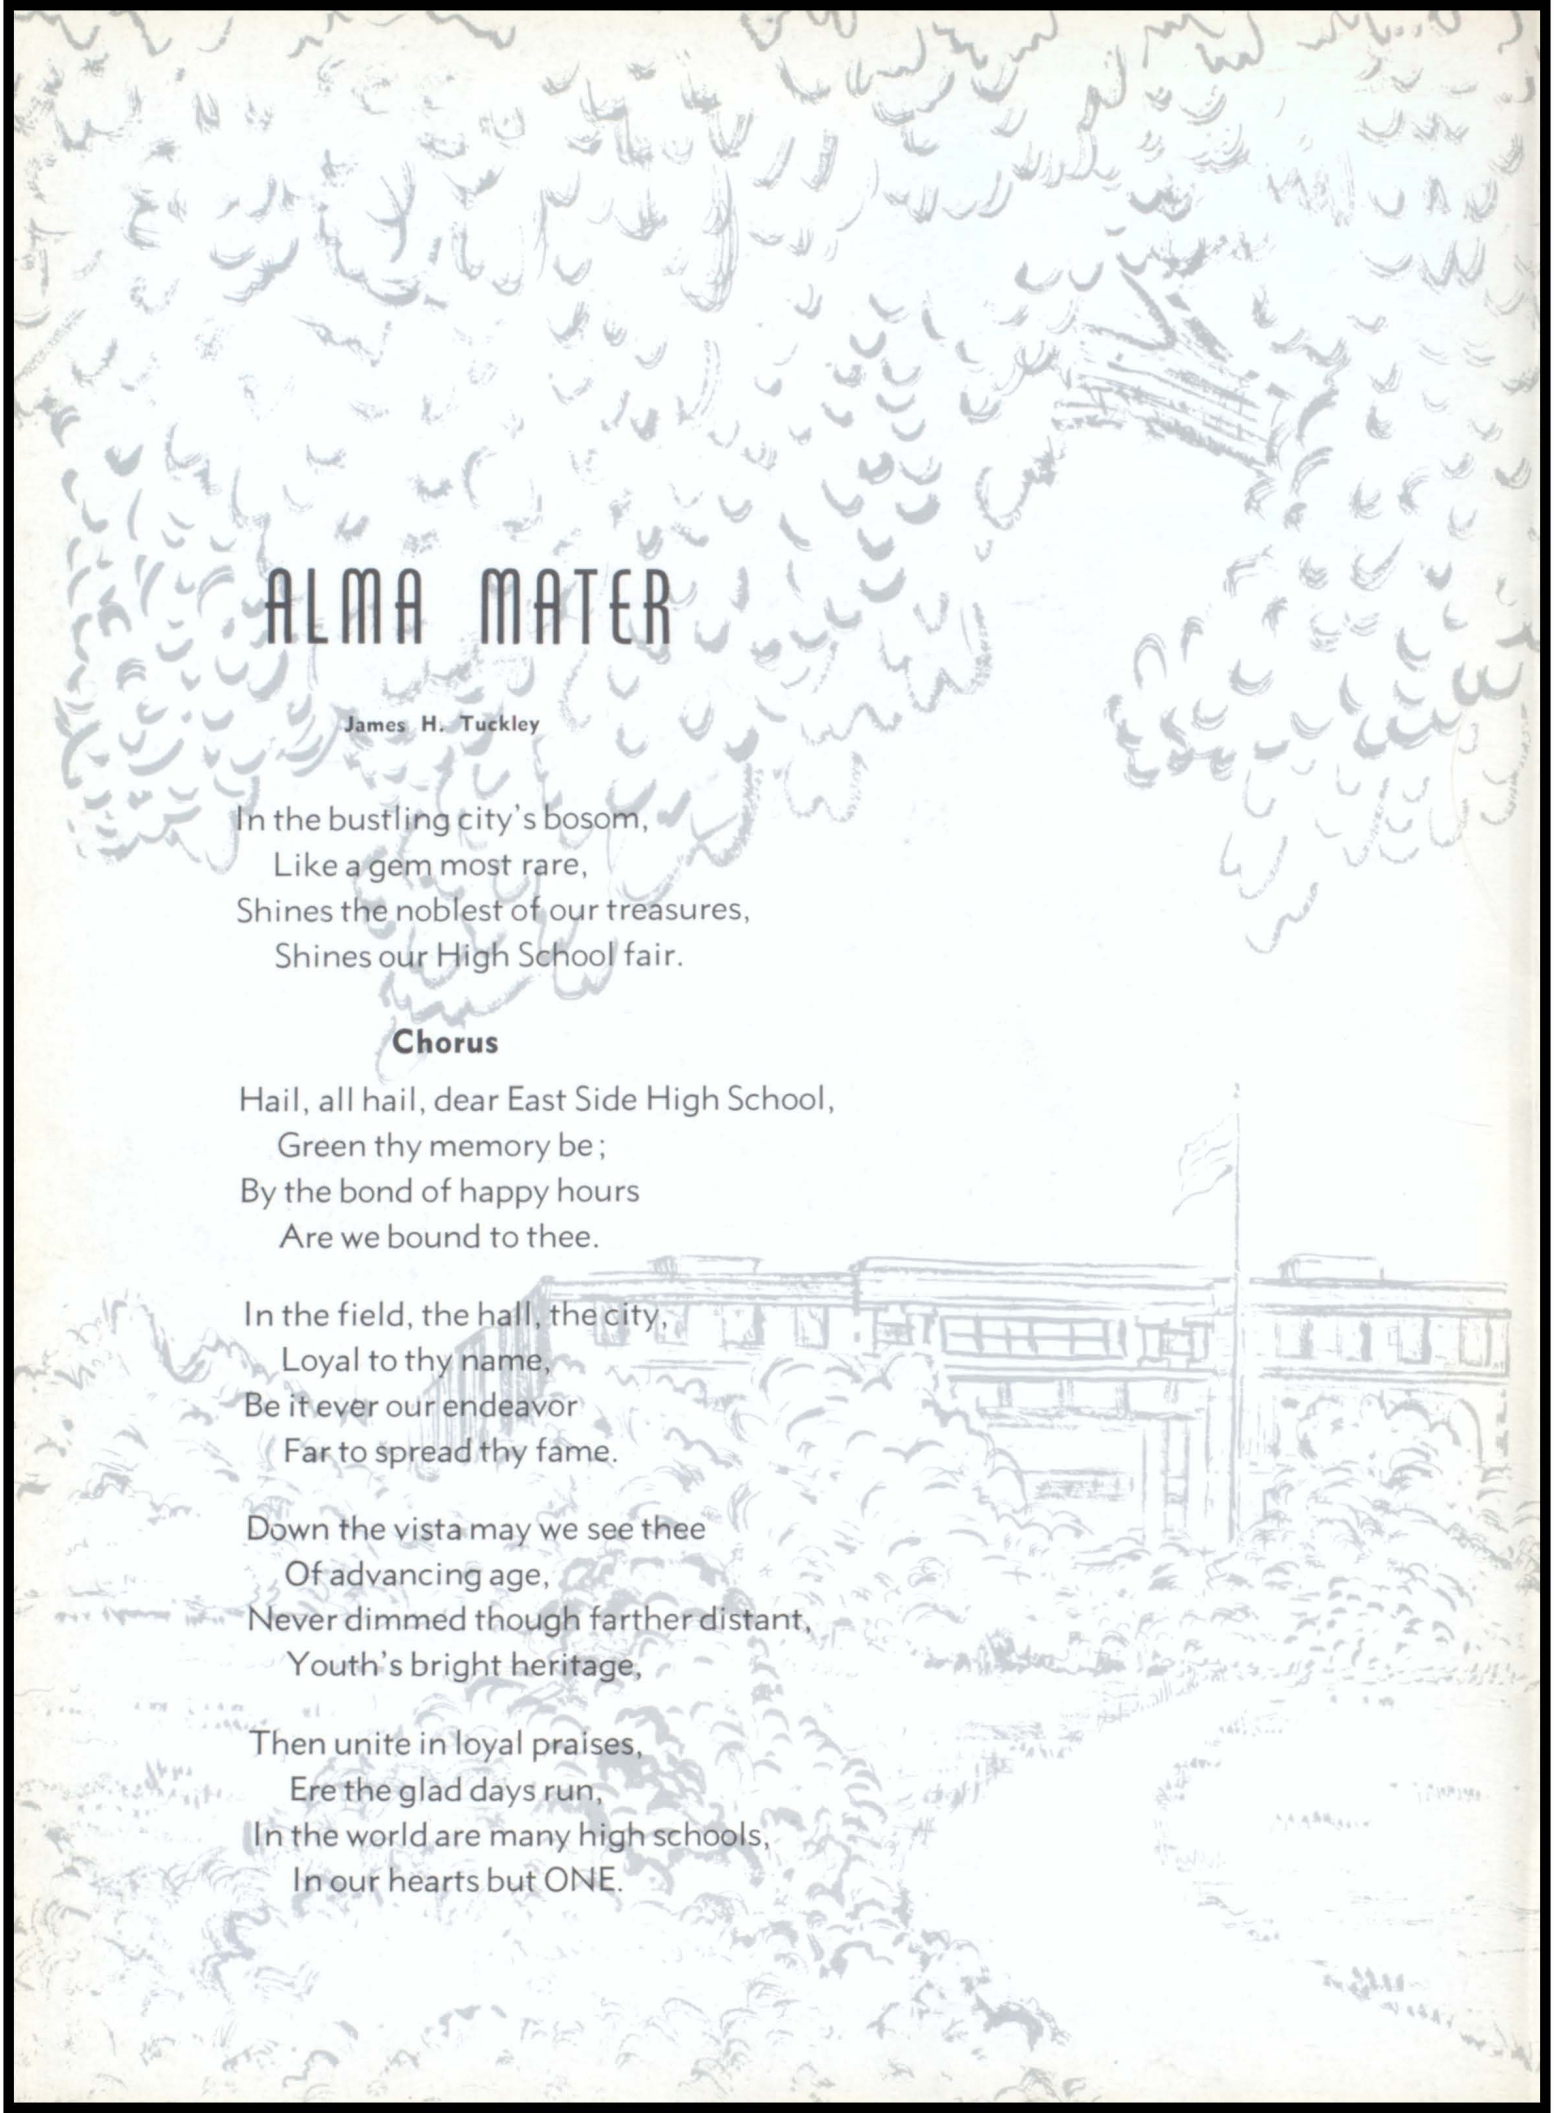

Chorus

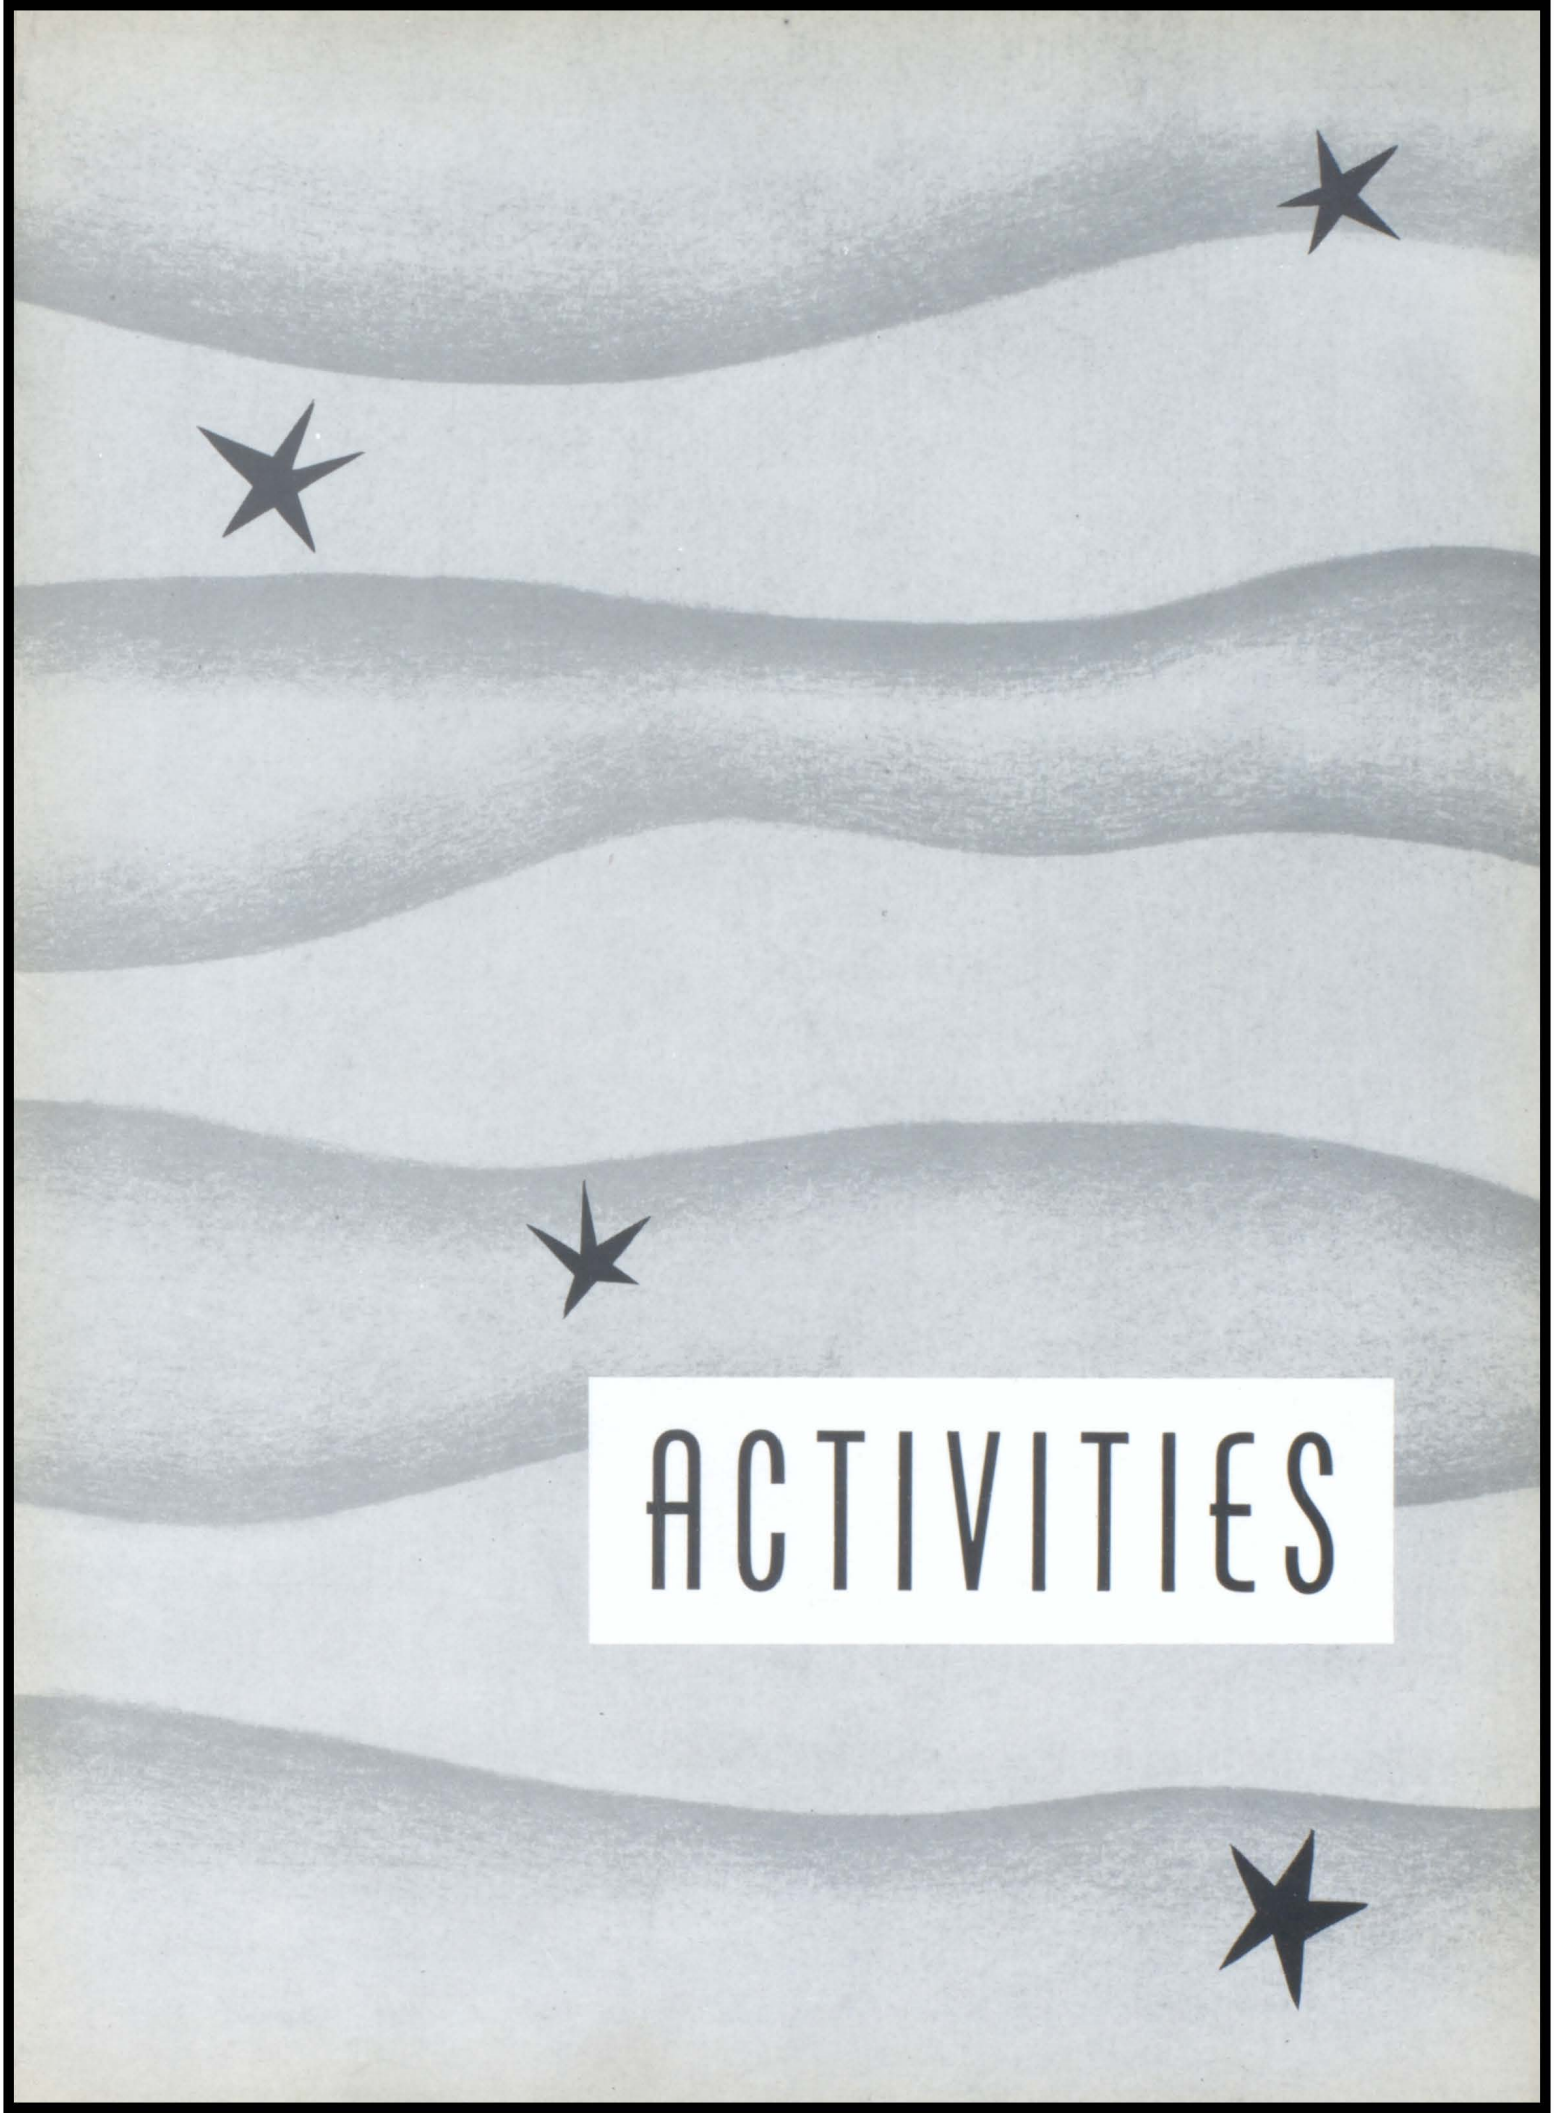

Hail, all hail, dear East Side High School,
Green thy memory be;
By the bond of happy hours
Are we bound to thee.

In the field, the hall, the city,
Loyal to thy name,
Be it ever our endeavor
Far to spread thy fame.

Down the vista may we see thee
Of advancing age,
Never dimmed though farther distant,
Youth's bright heritage,

Then unite in loyal praises,
Ere the glad days run,
In the world are many high schools,
In our hearts but ONE.

Fast Aides

As We Leave

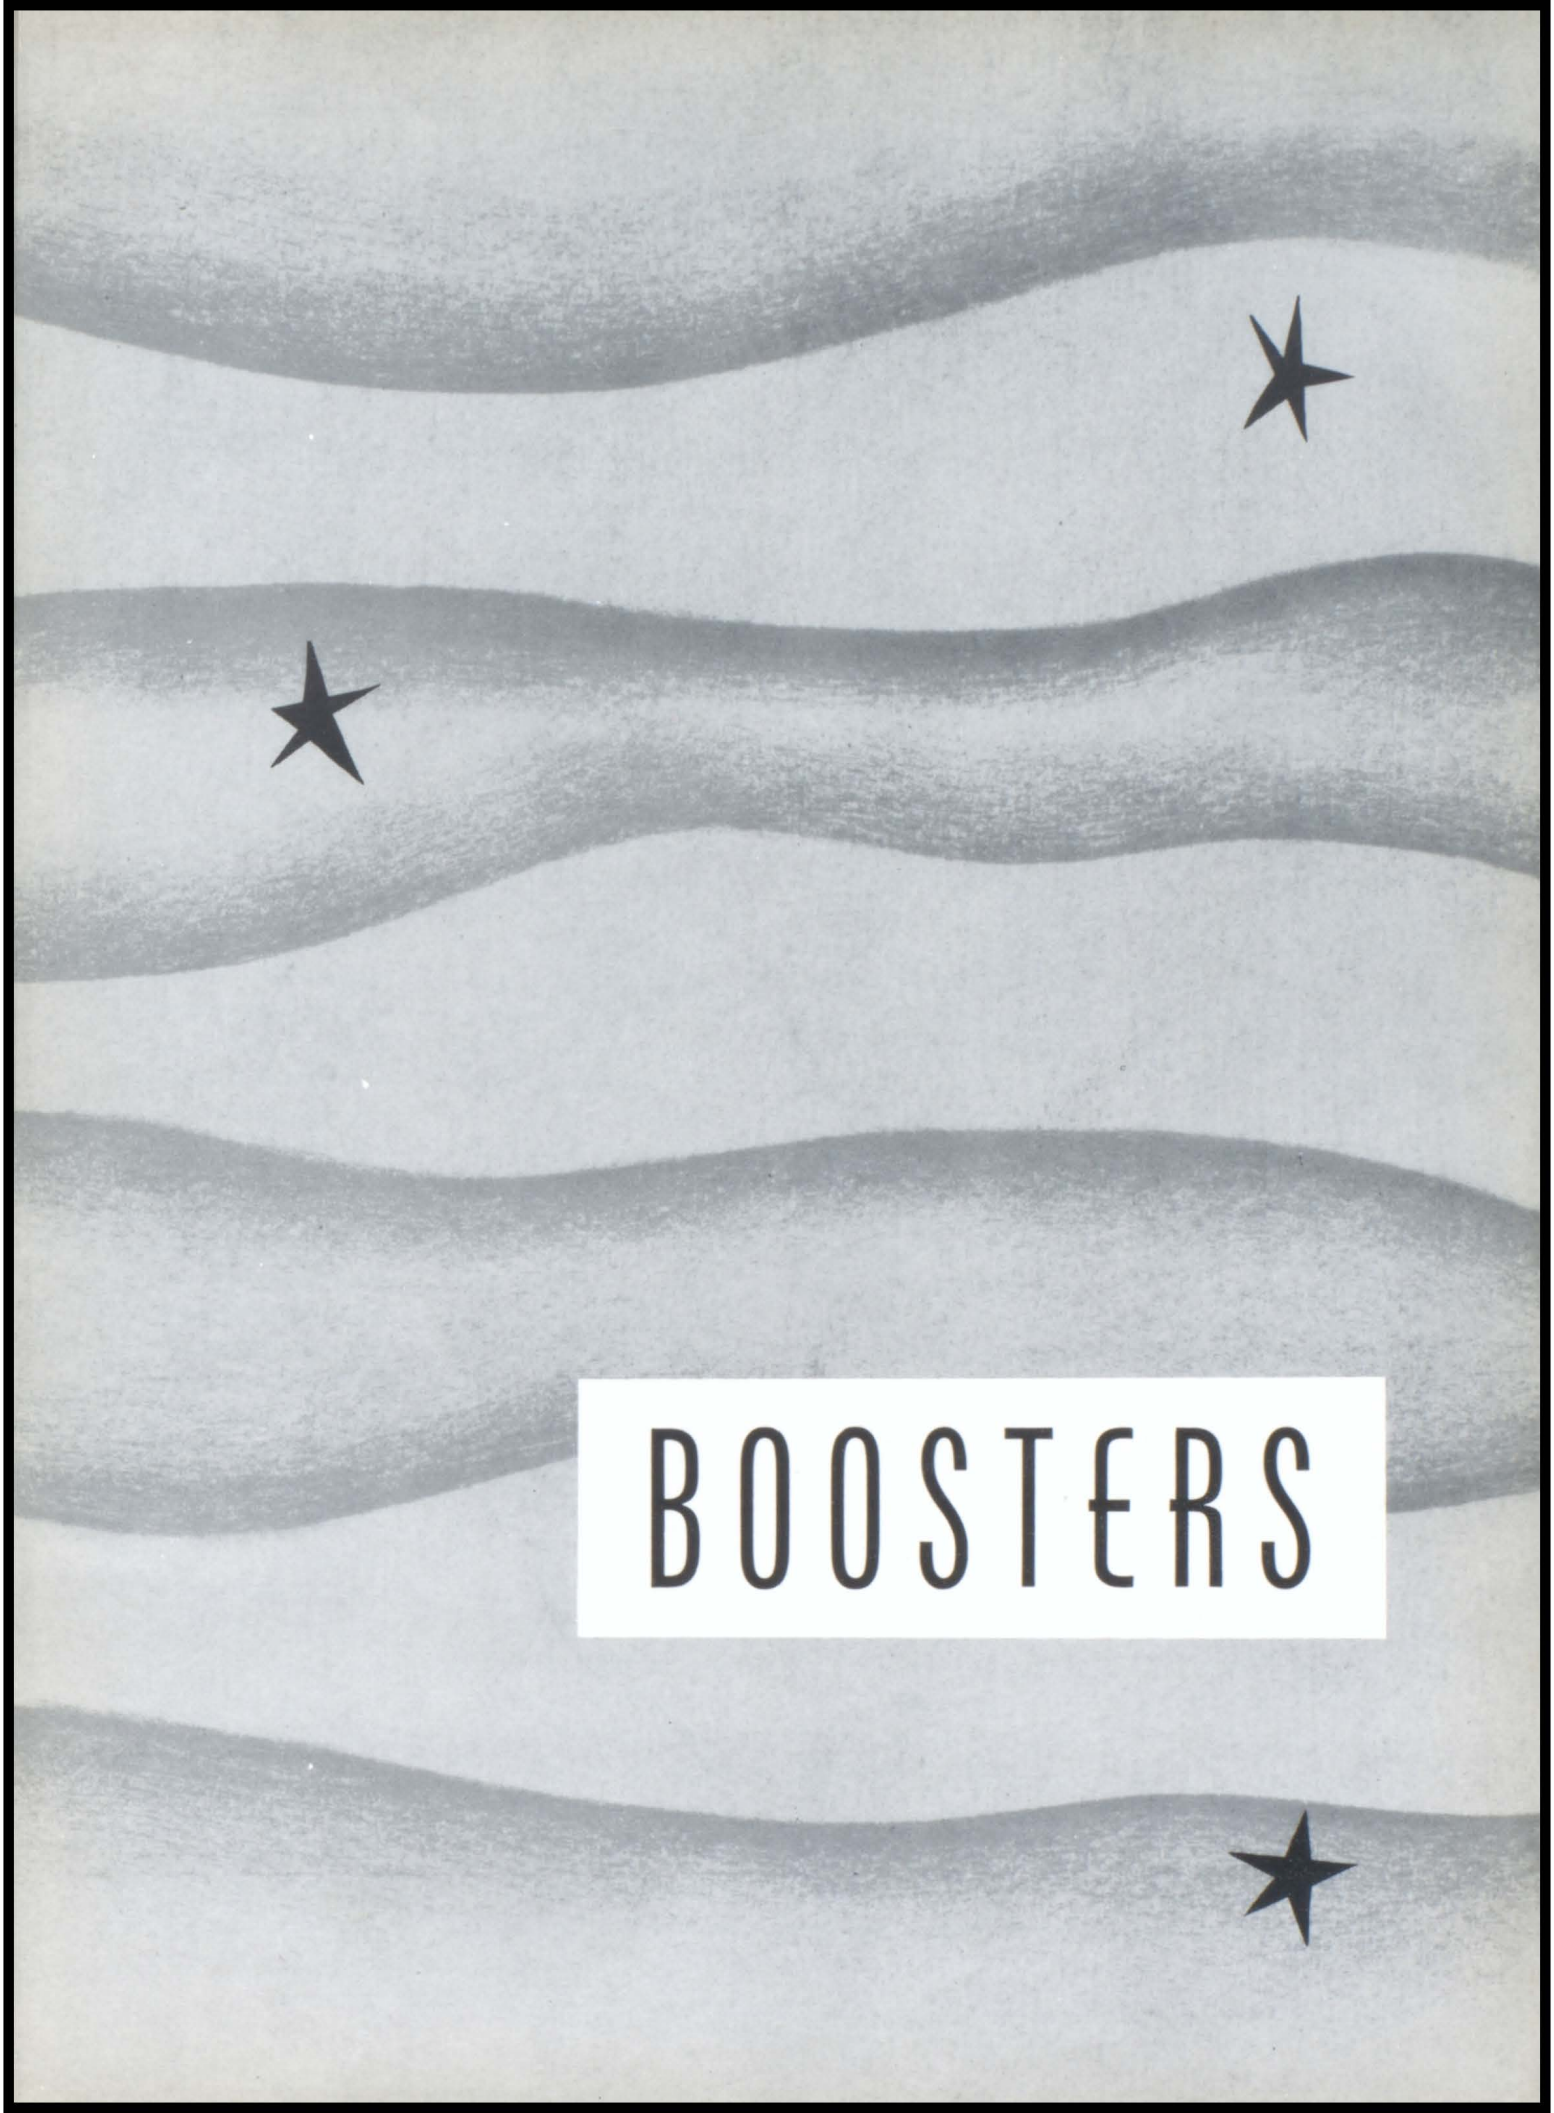

by LORRAINE KRAYSER

We're now looking down those very same halls
That first we walked not long ago.
All the familiar and happy days we recall;
Our hearts stood still, our eyes were all aglow.

As Freshmen we were quiet and awkward,
As Sophomores funny and small,
As Juniors we grew up a bit,
As Seniors we knew it all.

Now, as others are to take our place
We must get ready to depart.
We leave not only happiness,
But a small part of our hearts.

And so we say to all of you
When you look back in coming years,
Remember us, once eager to leave,
And remember we shed our parting tears.

ENCYCLOPEDIA BRITANNICA

ONE profession . . .
and a MASTER at it

WHEN you choose the profession you're going to follow . . . choose carefully, slowly. When you've decided, select one phase of that profession . . . and then concentrate on it! SPECIALIZE, study and work at your specialty until you know more about it than anyone else in the world.

The creed of specialization and perfection applies universally; to the man who builds better mousetraps, to the surgeon, or the engineer . . . or the photographer.

Academy Yearbook Photographers are SPECIALISTS in that precise sense. We are YEARBOOK Photographers, interested only in creating ever-finer YEARBOOK pictures.
